

SSPC 2020 Structure Award Nomination Form

In recognition of the importance of these awards, winners will be honored at the Awards Luncheon of SSPC's Coatings+ Conference held at the Long Beach Convention Center, in Long Beach, CA on February 4, 2020. The winning structures will also be featured in a photo essay in the *Journal of Protective Coatings and Linings* (JPCL) after the conference.

Indicate the award(s) for which you are submitting this nomination:

Crone Knoy Award

For outstanding achievement in industrial or commercial coatings work that demonstrates innovation, durability, or utility.

Charles G. Munger Award

For the outstanding industrial or commercial coatings project demonstrating longevity of the original coating. The structure may have had spot repairs or overcoating with the original coating still in-tact.

William Johnson Award

For outstanding achievement demonstrating aesthetic merit in industrial or commercial coatings work.

George Campbell Award

For outstanding achievement in the completion of a difficult or complex industrial or commercial coatings project.

Eric S. Kline Award

For outstanding achievement in industrial coatings work performed in a fixed shop facility. The project can be repair work or new construction.

Military Coatings Project Award Of Excellence

This award is in recognition of the exceptional coatings work performed on U.S. military ships, structures or facilities.
